#### Computer Imaging Fees

Hard Drive **\$750 Flat Fee**

Forensic image and verification of one (1) storage device off site at Carney Forensics lab facilities not to exceed 1TB (1000GB), including 3 months of secure storage for image (physical media is returned to the client). Also includes Files List spreadsheet by e-mail. If image exceeds 1TB, an additional charge of \$100 will be charged. This price includes Chain of Custody documentation. Encrypted hard drive with encryption key, an additional charge of \$250. Encrypted hard drive without encryption key is time and material.

SD Card / Memory Card / USB Flash or Thumb Drive **\$350 Flat Fee**

Forensic image and verification of one (1) storage device off site at Carney Forensics lab facilities not to exceed 128GB, including 3 months of secure storage for image (physical media is returned to the client). Also includes Files List spreadsheet by e-mail. If image exceeds 128GB, an additional charge of \$50 will be charged. This price includes Chain of Custody documentation.

Shipping: UPS or FedEx ground shipping of media to or from MN is standard. If client wants faster shipping, we will calculate rates and bill client for costs.

---

Mobile Device, Computer, or Cloud Examination **\$325 / hour**

Estimated time to examine a mobile device is 8 to 12 hours off-site at Carney Forensics lab facilities. If there are no difficulties with power, data port, password, encryption, or phone damage, charges will be close to 8 hours. If the goal of examination includes obtaining deleted data or specialty mobile app data, additional hours may be required. Minimum charge is eight hours.

---

Expert Witness Courtroom Testimony **\$325 / hour**

Our hourly rate applies to trial preparation and courtroom testimony for trial, hearing, or deposition. It includes waiting time and actual time testifying or performing forensic services in a courtroom setting. Minimum charge is four hours.
